**IF YOU CAN
DREAM IT
YOU CAN
CODE IT!**

VISION

OUR MISSION STARTS WITH THESE GOALS:

TECHNOLOGY IN EDUCATION, THE PROFESSIONAL WORLD, AND LIFE ALLOW US TO MATERIALIZE DREAMS THROUGH DIFFERENT TOOLS, THERE IS NOTHING IMPOSSIBLE THROUGH STEAM & CODING, AND WE WANT TO MAKE ALL GENERATIONS BELIEVE THAT EVERYTHING IS POSSIBLE THROUGH TECHNOLOGY.

MISSION

PROMOTE AWARENESS
PROVIDE EDUCATION
FOSTER PROFESSIONAL
DEVELOPMENT FOR
STUDENTS, INSTITUTIONS
AND EDUCATORS AROUND
THE WORLD

**INSPIRE STUDENTS TO
BECOME TECH-DOERS.**

FUTURE OF CAREERS

CONTENT PATHWAY

SCIENCE

A Space Science workshop at **NASA**

TECHNOLOGY

Workshop at **Universal Studios**

ENGINEERING

Park physics at **Disney Hollywood Studios**

ARTS

Theme Park Design Workshop at **Disney Magic Kingdom**

“Art of Animation” Workshop by **Sixpixels Studios**.

MATHEMATICS

Coding workshop with web and game development by **Disney Codellusion**

CONTENT 360°

Leadership and Innovation Workshop at **EPCOT Center**.

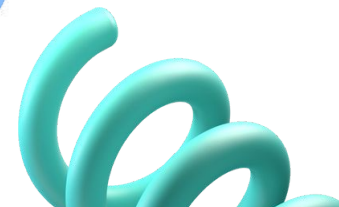

All our workshops have **hands-on activities**.

Multicultural experience

Academic Competition,
derived from learning

STEAM PROJECT
ORLANDO

NASA KENNEDY SPACE CENTER

Key Learning Opportunities:

KENNEDY SPACE CENTER IN CAPE CANAVERAL, FLORIDA, IS A TOURIST COMPLEX IN ONE OF THE 10 SPACE LAUNCH AREAS DESIGNATED BY NASA, INSIDE THIS PARK YOU WILL HAVE THE OPPORTUNITY TO LEARN HOW SPACE TECHNOLOGY HAS ADVANCED UNTIL TODAY.

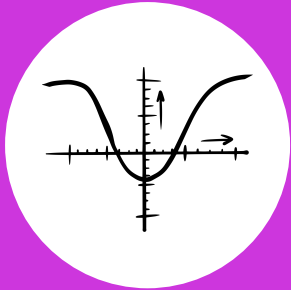

YOU CAN
EXPERIENCE AND
EXPLORE
FIRSTHAND AS IF
YOU WERE AN
ASTRONAUT.

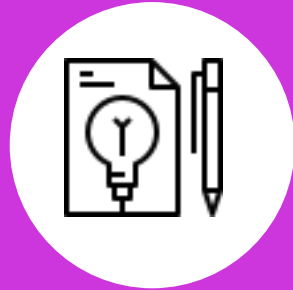

STEAM

UNIVERSAL STUDIOS WORKSHOP

Get to know the
basic standard in
Mathematics

Present project
derived from their
new knowledge

Technology of
Roller Coasters

**LIVE THE
EXPERIENCE WITH
US!**

STEAM

PHYSICS OF DISNEY

AT DISNEY HOLLYWOOD STUDIOS

BEHIND THE SCENES
OF THE MOST
ADVANCED RIDES

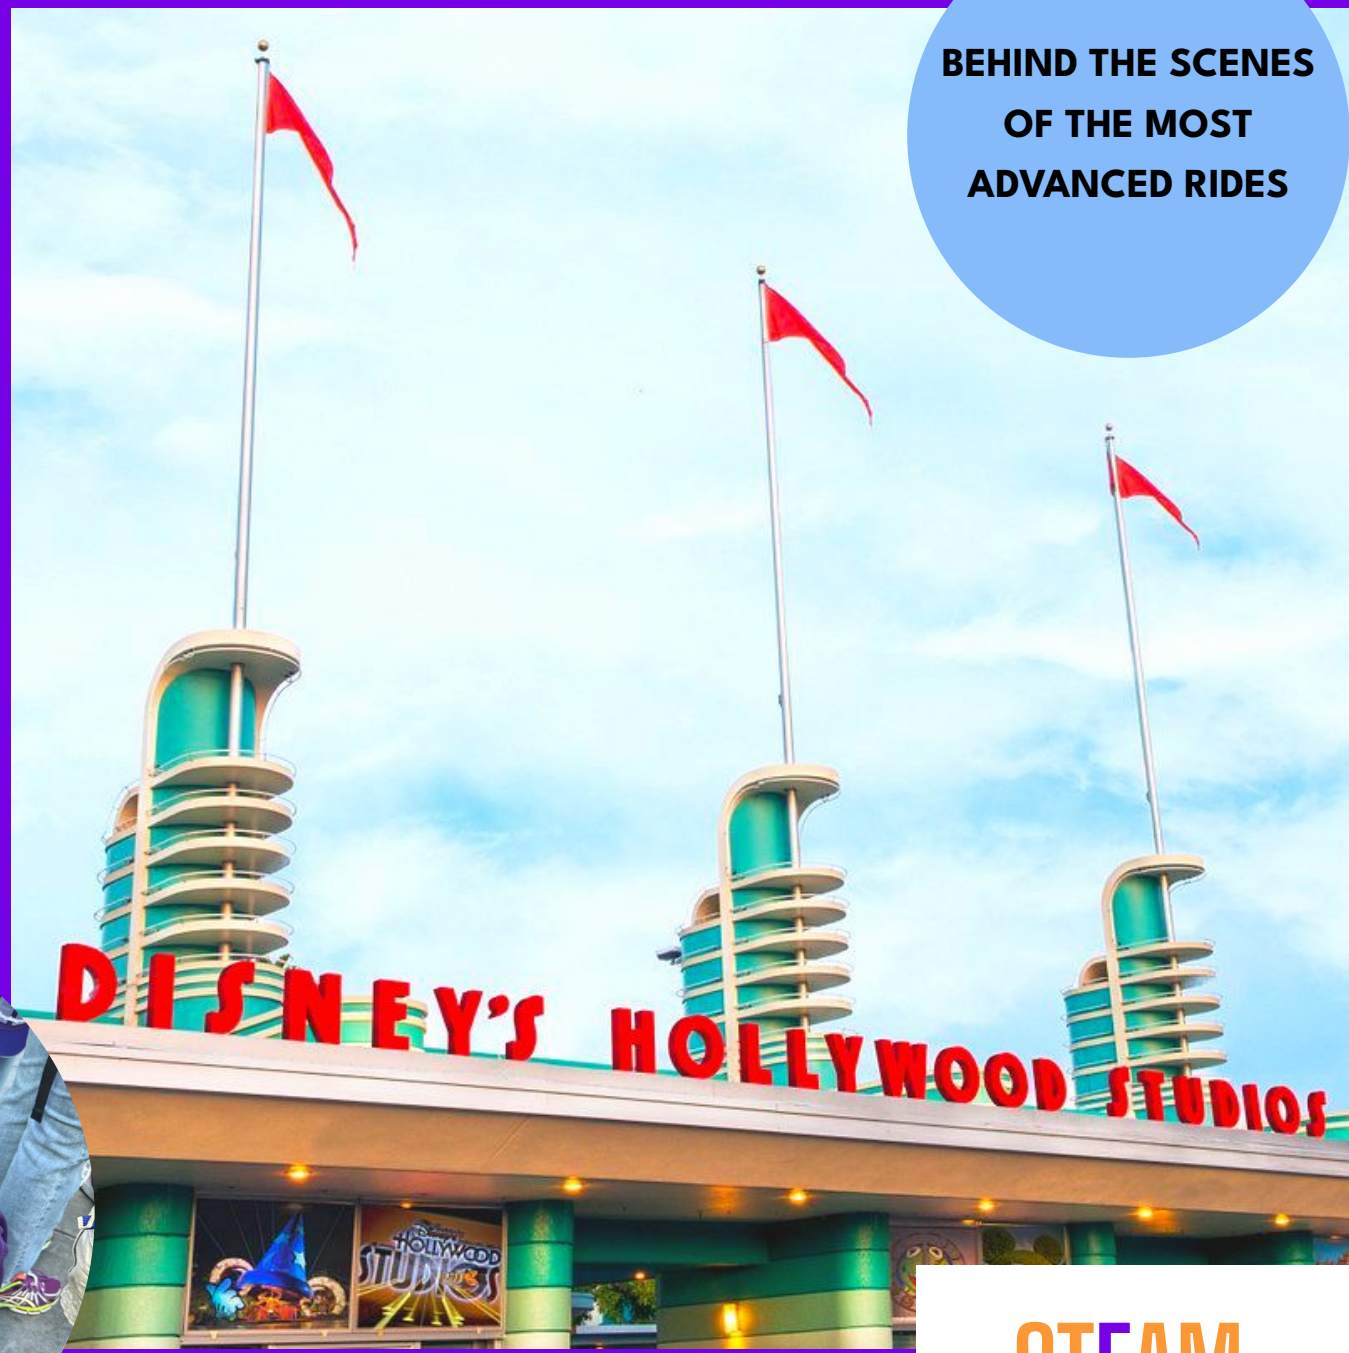

Participate in hands-on opportunities to apply the scientific method.

Hypothesize and experiment to analyze how the park attractions work.

Understand the value of a positive attitude to any challenge.

STEAM

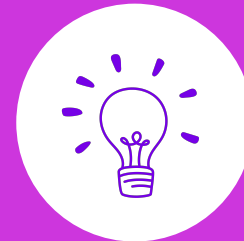

THEME PARK DESIGN

AT MAGIC KINGDOM

Key Learning Opportunities:

They will learn all about a theme park, from visual design elements to practical considerations such as visitor flow and maintenance.

Creative problem solving

Analyze how Disney Imagineers designed them

Storytelling at theme parks

Collaborative Design

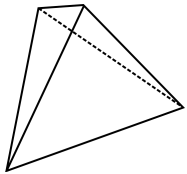

Build functional and exciting experiences

STEAM

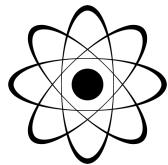

DIGITAL ANIMATIONS WORKSHOP

Guest instructor Peter Smith will take students on a journey through the art of animation focusing on how STEAM is an integral part of the process.

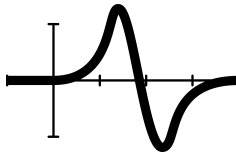

They will learn:

Geometry

Physics

Mathematics

OBJECTIVES

Explore digital human anatomy and geometry in art.

Understand STEAM's role in animation.

STEAM

Disney Code Illusion

GAME & WEB DESIGN

This course is designed for all levels so that everyone can learn, enjoy and create their first Game Design experience.

Elevate your coding prowess:
+months of content.

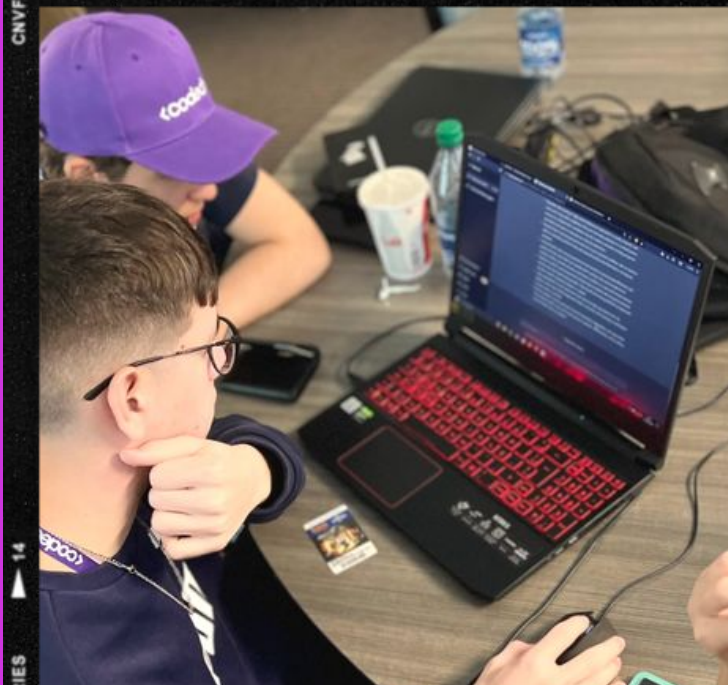

Build their own website

Create fun and engaging game

Make Beautiful digital art

Cultivates technological literacy

Promotes independent learning

Teaches logic

Encourage creativity

Improves organizational skills

STEAM

INNOVATION & LEADERSHIP AT EPCOT CENTER

Encouraging students to embrace the creative process and develop independence in thought and action

KEY LEARNING OPPORTUNITIES

Discuss the importance of different perceptions when building a team.

Work with multiple peers to solve problems through collaboration.

Know and understand your personal leadership skills and your own leadership style

IF YOU CAN
DREAM IT,
YOU CAN CODE IT!

STEAM 360°

CODED TOKYO CHAMPIONSHIP*

UNIQUE TECHNOLOGY PROGRAM IN A LIFETIME WILL BE HELD EVERY 2 YEARS IN TOKYO, BRINGING TOGETHER SCHOOLS WITH THE HIGHEST STEAM STANDARDS FOR A UNIQUE FOCUS ON TECHNOLOGY WORKSHOPS.

CODED STEAM PROJECTS 23/24

1st and 2nd place school winners from October and January programs

20 spots for each winner school.

CODED STEAM LEAGUE 23/24

1st, 2nd and 3rd place school winners from Summer and Europe programs

20 spots for each winner school.

DISNEY SPRINGS

SPRINGHILL SUITES[®]

MARRIOTT

- Share Suites de 2 a 4 students
- Shared Queen beds
- Shared only with students of the same gender
- Shared only with students from the same school
- Facilities adapted for multicultural coexistence
- First class facilities
- Top-notch amenities
- Proximity to STEAM course
